

'I didn't see myself as someone affected by energy poverty. Nevertheless, I was entitled to assistance.'

- Hester, homeowner

Free assistance with energy-saving measures if you can't afford it yourself. For tenants and homeowners.

Free insulation measures

Can you no longer afford to pay your energy bills? Do you want to make your home more energy-efficient, but you don't have the money for it? You're not alone.

Warm Thuis helps residents of Zwolle save energy at home. We provide saving tips and take minor or major measures to insulate your home. This will reduce your energy bills. If you qualify, we will help you free of charge.

What requirements do you need to satisfy to register?

- You live in the Council of Zwolle
- You own or rent your own home and you live at this address
- You have a low income (up to 130% of the social minimum)
- The energy coach had identified that your home could be more energy-efficient
- If necessary, you will be offered minor energy-saving measures. Such as sealing gaps and installing radiator foil

I own my home

- You do not have more than €17,000 of savings
- If necessary, you will be offered major energy-saving measures. Such as insulating the outer wall, the floor or installing special double glazing.

I rent my home

- We will discuss available options with your landlord

Warm Thuis Zwolle is a collaboration of various organisations in Zwolle. Warm Thuis helps residents who are unable to afford energy-saving measures save energy at home. **Register at warmthuiszwolle.nl**
